

Welcome to Roosevelt

August 2021

Dear Students and Families:

It is my sincere pleasure to welcome everyone back to **Roosevelt International Middle School**. It is our mission to provide support for each and every child on our campus. Along with support, we will continue to provide the quality International Baccalaureate (IB) education that will prepare our students to become caring and contributing members to our community. At Roosevelt, we challenge our students to engage in a **rigorous, world-class IB learning experience** that emphasizes not only strong academics but also strong character. It's a special place where students from diverse backgrounds strive to innovatively solve problems and take responsibility for their own learning. This past year has highlighted our school community's ability to problem solve under challenging circumstances.

We are excited to bring routine back into the lives of our students. I have been thoroughly impressed with the ability our community has shown to support our students and support each other. This year we will continue our partnership with the **Friends of Roosevelt Foundation (RooFriends)**, so that students can also expand their extra-curricular interests by choosing from over a dozen offerings in our **FREE After-School Enrichment program**.

We are looking forward to bringing back fun activities too. Our Associated Student Body (ASB) plans Fun Friday activities and Spirit Week. Students are recognized weekly for displaying IB learner traits. Other campus events include Breakfast of Champions, Special Olympics, 7th grade Zoo Expeditionary Learning Program, End of Year Kickball and Softball Tournaments, and Field Trips.

Please take a moment to review the enclosed materials to help your student be prepared for the 2021-22 school year. We look forward to welcoming everyone back to school so we can begin this exciting educational journey together.

Best regards,
Bernard Steinberger, Principal
Enc.

Roosevelt's Mission

Educating internationally minded students who live
and promote peace one day, peace every day.

Roosevelt's Vision

At Roosevelt International Middle School, we envision
a quality neighborhood school where all students
enthusiastically and innovatively solve problems and
take responsibility for their own learning. Students
learn in an engaging and collaborative environment
with rigorous instruction rooted in the IB learner
profile traits. Our students will be prepared to
participate in the global society of tomorrow.

Peace one day, peace every day.
